

Multitask on two screens

A powerful 64-bit hexa-core processor and a whopping 3GB of RAM work with Continuum features to deliver laptop-like work productivity. Seamlessly create and edit MS Office documents on your phone. Use your phone to show a presentation on any big screen while doing other work on the phone's screen!

Superior cooling

Powerful computing requires powerful cooling to make sure the phone does not overheat. That's why the Jade Primo features an advanced cooling system consisting of metal piping that dissipates heat much more effectively than standard technologies

#keepasking
acer.com

You can't ask to
work fewer hours.

But you can ask for
a phone that lets
you work anywhere.

Liquid Jade Primo

Work on the move with a continuum compatible smartphone that doubles up as a computer.

- 64-bit Hexa-core Processor
- Windows 10 Mobile
- 5.5" Full HD Display with Zero Air Gap Technology
- 21 MP Rear and 8 MP Front Cameras

Windows 10

Liquid Jade Primo

Multitasking. Multiplied.

This gorgeous phone's powerful hardware works with Windows 10's Continuum features to turn your smartphone into a multitasking computer that can run separate apps on separate screens. Use your phone to work on any app while also showing a presentation on any big screen! Add to that premium features like the AMOLED screen and 21MP camera, and you're looking at one powerful multitasking tool.

The beauty of Jade

This powerful phone continues the design excellence of the Liquid Jade line of smartphones. Its dynamic curves and hairline-brush finishing make this one of the most attractive phones, ever. The Jade Primo doesn't just look great, it also feels great in your hands.

A truly exceptional display

Ultra-tough Gorilla Glass strengthens the phone's structure and protects one of the best displays you can get on a phone. This 5.5" Full HD screen features AMOLED and Zero Air Gap technologies to deliver vivid colors (100% NTSC) and crystal-clear visual experiences.
